The Melungeon Heritage Association is a non-profit organization documenting and preserving the history and cultural legacy of mixed ancestry peoples of the southern and eastern United States. While our focus will be on Melungeon heritage, we firmly believe in the dignity of all mixed ancestry groups and commit to preserving this heritage of ethnic harmony and diversity. MHA does not endorse any particular theory of origin or the work of individual researchers. Annual Melungeon Unions bringing together researchers and descendants are central to MHA's mission, but are not the only activities we sponsor. All who support the work of MHA, whether identifying as mixed ancestry or not, are invited to participate in the work and goals of MHA as well as the gatherings and events. As we celebrate our past, we also seek to understand its impact on our lives today and help others to do the same.

MHA does not discriminate based on race, color, creed,, religion, gender, sexual orientation, national origin nor personal, partisan political affiliation.

21<sup>st</sup> Union is funded by a grant in the amount of \$2,000 from the Arts Fund of East Tennessee Foundation. The grant funds will be used to support speakers and provide for administrative costs. The East Tennessee Foundation is a nonprofit organization serving more than 25 counties in Tennessee. It has awarded more than \$223 million to individuals and charities throughout its 30-year history.
